How do I pay?

Grubhub offers four ways to pay: Student Card, Student Meals, Faculty Card, and Credit/Debit Cards.

Once you are in the Grubhub app, the app will have you choose between 'Regular Menu' and 'Meal Exchange' on certain restaurants once you click on your desired dining location. Tap 'Regular Menu' to use your Student Card, Faculty Card, or Credit/Debit Card. Tap 'Meal Exchange' (entrée, side, drink), to use an available meal swipe. Once you are taken to the 'Review Order' page, you will have the option to confirm your payment method in the 'Your Payment' section.
